ABOUT NALI'S INNER CROWN

Nali is a lively kid with a lot of love to give. She persists and never quits – a trait she gets from her Ghanaian parents.

In just a few days, Nali will start 3rd grade in a new school. Dribbling a soccer ball helps Nali put her mind at ease. Making friends is the goal Nali hopes to score. She could be crowned the new kid that fits in! But, how will she be perceived by her new teacher and classmates?

Nali's literary adventure is filled with relatable dialogue and vibrant illustrations – perfect for children 5-9 years old. Nali's Inner Crown fosters hope, resiliency, and cultural humility in a lighthearted rhythmic way. Nali's kindness is contagious and will be enjoyed by children and families for many years to come.
